The speaker lets you connect up to three devices simultaneously and select tunes from any device.

With its rechargeable battery, this portable Logitech speaker will last up to six hours on a single charge, so you can roam anywhere and feel the power of your music. Its sculptured

aluminium handle is integrated into the tough stainless steel body so it's easy to carry around the house or out and about. Complete with eight precision-engineered speaker drivers, the Logitech UE Boombox delivers high quality audio with a rich, deep bass and clarity, so you'll hear every detail of your music.

- Apple and Android<sup>™</sup> compatible
- Eight custom-tuned drivers
- 2.9 kilograms
- Up to six hours battery life
